

Clubs-Creekside Covid-19 Safety plan

Program Begins: April 8-May27th on Thursday nights from 6-730

Winfield community church

Things to Note:

- This safety plan based on a maximum [group occupancy of 24 kids plus 8 volunteers and 2 staff](#)

Volunteers (max 8)

- Weekly Wellness check and registration
- Mask wearing at all times for everyone over age 12
- Regular handwashing
- Will stay home if any symptoms of illness are present

Program

- Space will be marked for individual groups in the general space (sanctuary).
- Each group will remain in their space unless directed otherwise. Any movement will follow the room flow.
- Workstation will include a marked area a table maintaining physical distancing (siblings and bubbles can sit together)
- Location volunteers (craft and games) will organize and separate supplies for each group/child according to current Covid-19 policy
 - Currently Covid-19 regulation does not allow for the sharing of generalized supplies like scissors and markers, so each attendee is given a backpack each week with supplies they need for the nights program. This includes Childs general supplies, craft, snack, and game supplies.
 - Student back packs will be placed at workstations and contain markers, glue, scissors ect as well as needed craft materials and small group supplies
 - A Leader backpack containing hand sanitizer, masks, items need to lead small group, snacks, groups name tags and any other Leader required supplies
 - Hand sanitizer will be used at the start of each activity

Worship

- Will maintain a 9-foot (3 meter) distance from any kids
- Will encourage actions only as a form of worship
-

Games

- Individual games in a round robin style
- Minute to win it like – junk in the trunk, cookie face, suck it up, stack attack, moving on up, penny hose, keep it up

Bible Story/Lesson components

- Will be led from the front of room by teacher maintaining 9 feet of distance

Craft

- Will be led from the front with kids completing crafts at their workstations.
- Student back packs will be prefilled with needed supplies for craft and other activities
- Volunteers will wear masks and assist children as needed

Snack

- Will be individually portioned and placed in individuals back packs
- When possible, prewrapped snacks will be used like cheese strings, apple sauce, pudding, yogurt, granola bars...

Registration

- Set up through Planning Center by Tamara and Vanessa
- Sign in table will be set up outside main doors to building
- Simplified check in will occur
- Parent's congregating will be discouraged

Check In

- Weekly program check-in will be required
- Wellness checks of each individual will be preformed at arrival
 - Do you have a fever?
 - Have you been sick?
 - Have you traveled outside Canada?
 - Have you been in contact with a probable or confirmed case of COVID-19?
- Students will then be directed inside the building to their group area in sanctuary

Field Trips

- Bus rental and transportation can be arranged if needed best policy is to have parents drop off and pick up from designated locations
- Big spaces few faces will be the goal of chosen locations or locations with safety protocols in place like Energy plex,
- Masks will be used when physical distancing is not possible

Pick Up

- Parents will wait outside building and students dismissed individually or as groups
- Parents will be discouraged from congregating and socializing in parking lots

Cleaning/Sanitization

- Following church and/or building protocol including but not limited to
 - Sanitization of common touch surfaces such as doorknobs, railings, tables, chairs
 - Cleaning of bathrooms toilet handles, counters, sinks, toilet and paper towel dispensers, door knobs or handles
- Sanitization stations at Check in at each group location
