

MISSION LOCATION CAR TO SEAT TO CAR PROTOCOL

Notes:

- We want to limit touch. No food, coffee, potlucks to be offered at this time.
- According to a guidance from BC CDC for Faith Based Gatherings, we can collect tithe. Here is the excerpt from the publication. "When collections are taken, all those who handle cash or coins must wash their hands frequently with soap and water. There is currently no evidence that COVID-19 can be passed on to others by touching or handling cash."
- We can leave container at exit of the gym for attendees who leave, The designated usher, who directs attendees to seat, can attend the exit and oversee the money being dropped off into the basket.
- Singing – There is no clear do not sing order in place for BC. But other provinces have discouraged singing or encouraged masks for leader and/or attendees What we do know is that when we sing, we project and that Covid-19 is spread through the droplets of our saliva.

Our practice will be:

Inside gathering – Singing can take place if you have a mask. We ask that mask be brought to the service
